MAINSTAGE

We have an incredible lineup of keynote speakers, each a luminary in the world of portrait photography. Get ready to be inspired by their insights and experiences.

Mainstage Location: St. Croix

Mainstage Etiquette:

A line will form outside of St. Croix AB in the morning before 8am, Sunday-Monday so if you want a front row seat, please plan ahead. Your seat will remain your seat for all talks that day.

Attendees cannot save spots in line for their friends, nor can attendees save seats for anyone if they want to sit with a group. If you wish to sit with a group, the entire group must be present and together in line.

Should anyone witness any line jumping or seat saving, please do not confront the individual/s—alert the nearest staff member. We want everyone to have a safe, hospitable experience at our talks and anyone who does not act in accordance with these guidelines may be asked to leave the event.

NETWORKING OPPORTUNITIES

Connect with fellow photographers, share your experiences, and build lasting relationships during our networking events and mixers. Lunch is always a great time to sit with someone new and make lasting connections! If you want someone to take your portrait in one or all of our DIY bays, you need to find a buddy!

At registration, we have red ribbons for first-time attendees to wear. If you wear it, that will show us that you are open to making new connections. We want everyone to feel welcome!

SHOOT & SHOP

Shooting Bay Avenue

Vendors: Explore a variety of vendor booths and shooting bays, where you can test the latest photography equipment, props, and accessories. It's a unique opportunity to discover new tools and products to enhance your photography.

Oliphant Studio is sponsoring all backdrops, and Profoto is sponsoring all lighting for Shooting Bay Avenue!

Shooting Bay Avenue: You will also want to bring your camera so that you can take part in the shooting bays and build your portfolio. The shooting bays are designed for beginner photographers all the way to expert photographers—there will be shooting bay attendants present to help you get some beautiful shots for your portfolio!

We will have dedicated Shooting Bays exclusive to TPM Conference Pass holders (called The Playground) that is separate from the rest of WPPI's shooting bays, so you have more time to build your portfolio!

Mentor Sessions: 1-on-1 sessions to discuss your urgent business building questions, marketing and branding ideas, pricing and packages, and more! Show up ready to deep dive into your brand to build an amazing business with one of our industry experts.

Image Reviews: You will also have the opportunity to review your work and discuss visual trends, shooting techniques, and post-production to help you grow creatively. Bring your images in any format to receive a FREE one-on-one 15-minute review with a notable photographer.

How To Book: Image Reviews and Mentor Sessions are available on a first-come, first-serve basis, with walk-ins only. These will be held during the WPPI conference on the show floor Tuesday - Thursday only.

WPPI Lounge and Stage: We invite you to stop by the WPPI Lounge and Stage! Listen to inspirational education from our exhibitors, sponsors, WPPI editors and The Portrait System team. Don't miss the opportunity to chill or network with our editors, speakers and other WPPI attendees.

SHOOT & SHOP ETIQUETTE

Attendees cannot save spots in any of the lines for their friends in the Shoot & Shop area. Attendees must be respectful of all other attendees, staff, models, mentors, vendors and hotel staff at all times.

While in a shooting bay, only one person will photograph the model at a time. When multiple people try to photograph the model, you're potentially distracting the model and the photographer who's turn it is to shoot. You can take BTS for the photographer who's turn it is to photograph the model, but please do not shoot over their shoulder.

Respect their time.

Attendees may not touch models, or photograph them outside of a shooting bay or touch lights in the shooting bays.

Should anyone witness any line jumping or seat saving, please do not confront the individual/s—alert the nearest staff member. We want everyone to have a safe, hospitable experience at our talks and anyone who does not act in accordance with these guidelines may be asked to leave the event.

Exhibitors and attendees will be able to enjoy 15% off at participating restaurants:

TAO Restaurant @ Venetian
LAVO Restaurant @ Palazzo
Hakkasan Restaurant @ MGM Grand
Beauty & Essex @ Cosmopolitan

Note: You will need to show your WPPI badge to redeem the 15% off.

Additional Dining Options:

You can get meals delivered via all the popular apps (Doordash, UberEats, Grubhub, etc).

However, you can only have the meals delivered to the hotel lobby for you to pick up.
Depending on the type of room you have, you can also choose to order groceries via Instacart.

PACKING & ATTIRE

We recommend that you bring layers—while it can be very hot outside during the day, the AC indoors can be a bit too much for people sensitive to cold. It can also get cool in the evenings.

We are encouraging everyone to dress “cocktail party” for the Sunday evening Portrait Masters Awards Celebration, ‘Vegas Glam’ for Sunday’s Silent Disco, and anything goes for Monday’s Karaoke!

For the Closing Party, anything goes as long as it is tasteful. Make sure to bring a couple pairs of comfortable shoes and bandaids if you get blisters!

WELLBEING & SAFETY

Start hydrating before you arrive—if you are not familiar with Vegas weather, hydration is extremely important. Along with water, we recommend supplementing with electrolytes (coconut water, sports drinks, or electrolyte packets) and be mindful of your caffeine and alcohol intake.

If you find yourself feeling nauseous and dizzy, those are the telltale signs of heat exhaustion. Please alert hotel security (call the front desk if you aren't feeling well) or a conference staff member if you feel ill or injure yourself. You can always email and let us know, too. Just please don't wait until after the event to let us know:
